THE EVOLUTION OF LOG BUILDINGS

Glamping Lodges

# Glamping lodges from Ecolodgic

An Ecolodgic log cabin is a proper log cabin, built to last for generations to come.

Crafted with Britain's finest Douglas Fir, this durable timber stands true to the test of time. Being an excellent natural insulator, our cabins will protect your customers come rain or shine. Snug in the winter and cool in the summer, each model comes in various sizes, and will be handcrafted on a bespoke basis to meet your every need.

We have three levels of build available:

## Log shell

Fancy taking on the finishing touches?

We provide the solid log structure, cut to size and watertight, ready for you to add the finishing touches.

You will need to install: roofing, interior walls, insulation, flooring, electrics, plumbing, kitchen and bathroom.

## Full build

Just want a cabin complete and ready to go?

A fully completed lodge with limestone composite slate roofing, door, windows, interior walls, sheep wool insulation, flooring, electrics, plumbing, kitchen and bathroom.

## Bespoke

What would make your dream cabin?

We can make your cabin dreams come true.

We are open to any ideas and suggestions, please don't hesitate to ask

### Installation timings

We are currently building lodges by hand, each one taking a few weeks to complete. We are more than happy to take on multiple cabin orders at a time. In the future we plan to bring in a cutting-edge robotic system that will chop our build times right down.

### Restricted access to your site?

That's not a problem. If you plan to position your cabin in a tucked away spot that is inaccessible for our lorry, we are able to deliver it in a partially de-constructed state and assemble on-site.

MODEL B

# The Brancaster

A glamping lodge, and then some. The Brancaster is for couples or friends in search of adventure but also a comfortable space where they can kick back, relax, and release from the stresses of modern life. With the capacity for a double bed and a dining area, this one could be a real customer favourite.
